

**Did you know this is
a tobacco-free area?**

**WE CARE ABOUT
OUR GUESTS.**

Tobacco-free policies lead to decreased smoking, vaping, and other tobacco use. They also help those who want to quit to be successful and they protect non-users from second-hand smoke/vapor.

Remember, we are not telling you that you cannot use tobacco—we just want to make it easier for you or others to quit if they want to try.

Please use tobacco in designated areas only.

These resources can help you quit:

- **(1-800-QUIT-NOW)**
